Gaining the Best of Canadian Culture While Preserving the Islamic Identity

December 1, 2016

Principal's Message

We are so grateful for the support we receive from parents in the education of our students! We are making a concerted effort to teach our children proper Islamic manners, and appropriate ways to conduct themselves.

We also appreciate your efforts in helping our students understand the importance of cleanliness in the school. With your teaching and instruction at home, and our reminders and monitoring at school, I am confident that our children can take good care of themselves and the school environment. Encourage them not only to look after themselves, but to help their classmates do the same.

Thank you to all of the parents who attended conferences in November. At both high school and elementary conferences, we had excellent attendance by parents. The school was crowded and busy with wonderful conversations about our students, their successes and how to help them improve. Thank you for your continued support!

Mrs. Nistor, Principal

Early Dismissal**

Just a reminder to families that the students will be dismissed at 12:15 p.m. on Wednesday, December 21st.

Student Leadership Council

The month of November has been a very quiet period for the SLC. As of yet, we have only hosted the Shawarma sale (which was our first this year), and we are grateful it was successful! Many people ordered on time and enjoyed the fantastic food. This month has come and gone, and we plan to have more events and food sales this December. We will keep you posted with more details as they come.

As for the events, we are hoping for a Spirit day, which we are confident will be great participation as always.

MYSLC

If you're in the school make sure to check out the MYSLC bulletin board full of IST-

day pictures. Thank you to all students who participated in the day... it was so much fun!

Drop Off and Pick-Up

A reminder to parents that we currently have over 440 students in our school and as you are aware we are now using both sides of the street for pick up. Please do not double park. As winter snow is here please be careful when driving. We thank you for your continued patience.

Winter Clothing

We are fortunate to have had a wonderful fall, but the colder winter weather is fast approaching. Though we do keep students in when the temperature is -25°C or colder, we go outside when the temperature is above that. We expect students to be dressed for the weather. Please ensure that your child(ren) have a winter coat and boots, mitts, and a warm hat for their heads. Thank you for assistance.

Uniforms

All students at Regina Huda School are required to wear appropriate uniform attire at school every day. We want to ensure that we provide consistency with our expectations. If your child does not wear the appropriate uniform, you may receive a note from the school to inform you of this.
