

**ELITE BASKETBALL PRESENTATION
REGINA HUDA SCHOOL
MARCH 15, 2019
6:30 PM**

Greetings everyone,

My name is Khalid Loda and I am the President of Elite Basketball Training Academy. Our organization focuses on skill and character development through the sport of basketball, and I am excited to announce that I will be doing a presentation at Huda School on March 15 about our programs. I have been developing players in Regina for the past 10 years, and have helped my athletes earn athletic scholarships to post-secondary institutions in Canada and the US. I have played college and professional basketball in the United States, as well as in Europe, and represented the country of Morocco in international competitions.

This presentation will allow you to learn about what we have been doing for the youth in Regina, and possibly offer a free basketball clinic to the students of Huda School if there is enough interest.

If you are interested in attending the presentation, please fill the portion below and return it to your principal's office by no later than March 12, 2019. The presentation will be in the multi-purpose room

Thank you,

Khalid Loda
