Gaining the Best of Canadian Culture While Preserving the Islamic Identity

January 8, 2018

Principal's Message

We hope all families had an enjoyable winter holiday. We have all worked very hard the past four months, focusing our efforts on ensuring students are learning within a vibrant, Islamic environment.

High School students will begin their final exams on January 18th. Both high school and elementary students will be receiving report cards at the end of January. High School students will receive their first semester final marks on January 29th and Elementary will receive their Term 1 report cards on February 2nd. We hope all our students continue to work hard in ensuring their report card marks reflect the dedication and commitment to learning in all subjects.

Parents, please continue to check and sign agendas for elementary students, ensuring that homework is completed. For all students at RHS, having your children come to school every day on time, and working together with your child's teachers is extremely important for your child's/children's educational success. It is the process of working together as a team which enables our children to excel in their studies.

Thank you!

*Mrs. Nistor
Principal*

Expansion Update:

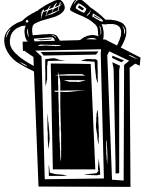

We expect to be receiving partial occupancy of the expansion very soon. This will mean that students in grades 6 – 12 will be moving into the new classrooms with their teachers. The building will not be open to the public as there is still construction to be done, but the city inspector has assured that the building is safe for our students. We will be accessing the foyer and the top 3 floors. Please be patient in seeing the new building as we want to have it completed before it is ready for our families and the public.

After School Pick Up

Thank you once again for your patience during after school pick up. We will continue to pick up on Sheppard Street at this time. Please remember to park on the south side of the school on either side of the street. **Do not** park on the north side of the school behind the bus. Mrs. Gunnlaugson assists students and parents crossing the street on the south end of the school. Mrs. Hall along with Mrs. Veikle, Ms. Gottselig and Mr. Turner are out there supervising as well. We appreciate your cooperation!

Debate

Congratulations to our students who debated at the Luther College on December 1st.

All teams debated very well, and six of the twelve teams from our school were awarded for their performance. In the Beginner category, Ayaan K. and Ryan A. placed first, and Habiba A. and Manha C. placed third. Eesha Q. tied for third-place speaker, Ryan was second, and Manha was named first speaker.

In the Intermediate category, Tina E. and Mohammed M. placed second, and Huda A. and Fatima A. placed first. Huda was named third speaker, and Fatima was named first speaker. In the Novice category, Janna and Hamza E. placed first in their first-ever tournament, and Hamza was named top speaker.

Congratulations to all of our debaters for a great season so far!

High School Open House

Grade 7 - 11 students and their parents are invited to attend the Regina Huda High School open house at 6:30 pm on Monday, February 12th. High school teachers will discuss the program offered at Regina Huda School, graduation and post-secondary requirements, and answer questions you have about high school. This is a good opportunity for you to learn about Saskatchewan secondary and post-secondary requirements. We look forward to seeing you there!

MY Time

MyTime is a program for youth aged 10 to 14 who are interested in trying out a variety of activities. Students will spend the evenings being active and creative in a safe environment. Whether it's participating in game show night, learning to make tie-dye, or having a cupcake decorating challenge, MyTime is a program specially designed to create fun group activities in the evening that are aimed at what you like to do best! The program will be running at Coronation Park School Wednesdays January 24 to April 18 (Excluding Feb 21 and April 4). If you are interested in more information, see the posters that will be sent home with students soon.

Canadian Math Kangaroo Contest

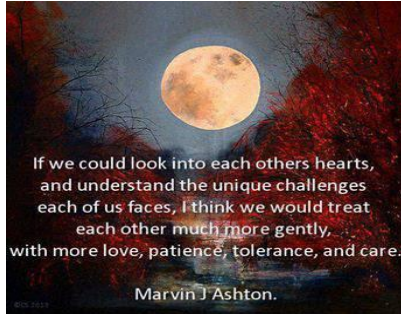

The Canadian Math Kangaroo Contest (CMKC) is a volunteer-run, not-for-profit organization which aims to spread the joy of mathematics. The CMKC Corporation is administered by mathematicians and teachers of mathematics who cooperate with other professionals in order to provide an atmosphere and conditions suitable for motivating students to learn.

Registration is now open for the upcoming Canadian Math Kangaroo Contest! The contest will be held on March 18, 2018 at over 40 locations in Canada. The official deadline for registration is set for 4th of March.

A reduced contest participation fee of \$17 is available until February 18. After this date and until the deadline of March 4, the contest fee is \$25.
