Gaining the Best of Canadian Culture While Preserving the Islamic Identity

March 1, 2016

Principal's Message

We are well into our second term/semester of the school year. Elementary report cards will be going home with students on March 17th, and parents will be invited to attend conferences with their child's teachers on March 24th. High school students will receive their mid-term reports in April. As always, it is really important for parents to attend the conferences to discuss your child's progress. We strongly encourage you to make arrangements to meet with their Arabic, Islamic Studies and Qur'an teachers as well. Please, watch notes coming home to let you know what time your conference will be.

Mrs. Nistor, Principal

Student Leadership Council

This month, SLC had a delicious taco sale and also a pizza lunch for the teachers! The SLC also had an anti-bullying day where students wrote down a way to be nice and solve the problem of bullying on a small bubble, as the theme was all the ways to stop bullying will bubble over the problem of bullying. Next month, for March, the SLC has planned a shawarma sale which will be on March 18th.
