Gaining the Best of Canadian Culture While Preserving the Islamic Identity

March 2, 2018

Principal's Message

We are well into our second term/semester of the school year. Elementary Conferences/Celebration of Learning will be held March 16th. We will ask parents to once again sign up on-line for their conference times. A note will be sent home prior to conferences to sign up.

High school students will receive their mid-term reports on Monday, April 16th. As always, it is really important for parents to attend the conferences for both elementary and high school to discuss your child's progress. We strongly encourage you to make arrangements to meet with their Specialist, Arabic, Islamic Studies and Qur'an teachers as well.

Mrs. Nistor, Principal

New Building

Our students are excited to be working in the new building. We still do not have access to the lower floor and the link connecting the two buildings will be added. Once we have some more work completed we will invite parents and community members to see the new building. Students have recently competed in a contest to name both the original and new building. Once the names have been chosen by the Board we will announce the winners and the new names for each building!

Qur'an Competition

The Qur'an Competition is being held on Saturday, March 24th. All students competing will need to be at the school gym by 9:45 a.m. as the competition begins at 10:00. The contest will be held in the original building. We wish all our students competing good luck!

Student Leadership Council

MYSLC organized the Pink Shirt day held on February 28th.

Kindness is one size fits all.

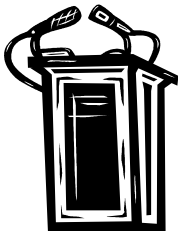

Bullying can happen in many different ways.

It can include teasing, being hurtful to someone, ignoring them or hurting them. It can also happen anytime – in person, online,

on the phone, in class, on the bus, in your neighborhood or even in your home. Bullying is usually done by people who do not feel good about themselves. They often need to put others down to feel better about themselves. Bullying is never okay. The great thing is that there is much that you can do to stop or prevent it. If you see bullying happening whether to you or someone else, you need to take action.

Students wore a pink shirt over their uniform to symbolize that they will prevent bullying.

SLC – The high school SLC will start up again for the remainder of the year. We thank Mr. McTaggart for being the Teacher Leader for the group. We look forward to all the events they will plan for the remainder of the year.

Debate

Huda School debaters are participating in the provincials in Saskatoon on Saturday, March 17th. We wish all our debaters participating in provincials good luck!
