### Principal's Message

*At the beginning of May, you will receive a letter and registration forms in order to register your children for school next year. Each year, we re-register all of our students in order to have an accurate count of the number of students in each class. If you know that your family is leaving Regina, or if your children are leaving our school, please call the office to confirm this information to us. With our long waiting list, it is so important for us to know if you are moving so that we can plan ahead for new admissions in the fall.*

*The last day for registering our current students will be May 27, 2016. The yearly \$125 for classroom and registration fees is due when you complete and return the registration forms. We will not register children without the appropriate fees being paid and without the forms being completed and returned to school.*

*Mrs. Nistor, Principal*

### Expansion Update (New Building)

The work on the expansion continues. Though we were hopeful it would open in September, 2016, it appears that it may not open until later in 2016/17.

Please follow expansion updates on Twitter:

**@newbuildingrhs or on the school's Facebook page!**

As construction continues we need to ensure that all parents are dropping off and picking up students in front of the school by the soccer field. We will provide updates during the upcoming newsletters, RHS website and twitter regarding the expansion's progress.

### RHS Annual Fundraising Event

Our annual fundraising event will be held Saturday, May 14<sup>th</sup>, and all parents, as well as people from our community are invited to participate in this event. You have already received an official invitation from the school.

Parents who are unable to attend are asked to fill in their donation forms and return them to the school. With construction of the new expansion continuing, it is critical that everyone donate to the best of their ability. Without the strong support of families who are part of our school, this major building project would not be possible. If you value Regina Huda School, please give generously!

### Student Leadership Council

April, being a month with very few holidays, gave the SLC a chance to hold many events for the school! We started off the month by holding the pizza sale and crazy hat day on April 14th, a great combination to get into the spirit of April. Pictures of crazy hat day

are available on the SLC's Facebook page. On the 21st, the SLC held the Re-purposed Treasures Fair in which students used old or recycled materials to make something new. It was wonderful to see the displays the students made, and we were glad to host the event in addition to the MYSLC's Earth week.

For May, the SLC plans to host more events, hopefully as many as we enjoyed in April. Please be on the lookout for more details throughout the month. We look forward to your cooperation and participation!

### Speedstack Team 2015

This year's speedstacking team was very successful at the city championship tournament at Sheldon Williams Collegiate. Regina Huda School brought 13 students from grades 1-6 to compete individually, in partners, and as a relay team. Many students earned top three finishes in their categories. Ameer Ibrahim was able to earn first place in the head to head competition, first in the partner stack, second place in 3-3-3, 3-6-3, and the cycle. Laraib Wasi got 2nd place in the head to head competition. Tina raced to a first place finish in partner stack, third place in the 3-6-3 and second place in the cycle. Laraib Mirza also won third place in the 3-6-3 cycle. Congratulations to all competitors!

With over 450 participants in the tournament, Regina Huda Students represented our school well!

### Elementary Boys' Soccer

With the efforts of Mr. Ahmed Almughrabi, our elementary boys have the opportunity to improve their soccer skills by joining a team which has been meeting to practice on Saturday mornings. The last soccer Saturday will be **June 4<sup>th</sup>**. The boys are working on their skills and we are pleased to have such a wonderful volunteer coach, Mr. Ahmed Almughrabi from our community willing to take this on.
