Gaining the Best of Canadian Culture While Preserving the Islamic Identity

May 3, 2017

Principal's Message

We are excited to announce that Regina Huda School will be adding students in the fall. It is anticipated that the expansion will be open and ready for students and staff! We are currently finalizing the list of students who will be joining us in September of 2017!

Mrs. Nistor, Principal

RHS Annual Fundraising Event

Our annual fundraising event will be held Saturday, May 6th and all parents, as well as people from our community are invited to participate in the event. You have already received an official invitation from the school.

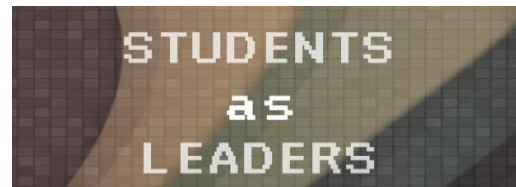

Parents who are unable to attend are asked to fill in their donation forms and return them to the school. With construction of the new expansion continuing, it is critical that everyone donate to the best of their ability. Without the strong support of families who are part of our school, this major building project would not be possible. If you value Regina Huda School, please give generously!

Expansion Update (New Building)

The work on the expansion continues. If you haven't already done so, please take the opportunity to see the outside of the building. We are beginning to see its completion for the fall! Please follow expansion updates on Twitter:

@newbuildingrhs or on the school's Facebook page!.

Student Leadership Council

Well over halfway through the year and the SLC is still going strong. The month of April has been a lot of fun for us, in the planning and execution of activities. We

started off, once again, with a very successful taco sale, that we hope everyone enjoyed. Just after the break, the SLC planned for an event to save the environment, many classrooms participated and everyone appeared to enjoy their participation. The project involved the teachers keeping the lights off for long periods of time and a little kahoot trivia game that we hope taught the high school students something significant about the environment.

We have not planned anything for the month of May as of yet, but we promise to keep you posted.

Speedstack Team 2017

This year's speedstacking team was once again very successful at the city championship tournament at Sheldon Williams Collegiate. Regina Huda School brought 13 students from grades 1-7 to compete individually, in partners, and as a relay team. The following students earned top finishes in their categories:

Ameer Ibrahim was able to earn 1st place in the Intermediate competition.

Aamina Tauqeer won 2nd place and Abiha Mirza won 1st in the Senior competition.

Congratulations to all competitors!

With over 450 participants in the tournament, Regina Huda students represented our school well!

Elementary Boys' Soccer

With the efforts of Mr. Ahmed Almughrabi, our elementary boys have the opportunity to improve their soccer skills by joining a team which has been meeting to practice on Saturday mornings. The last soccer Saturday will be **May 20th**. Please note there will be **no soccer on Saturday, May 6th**. The boys are working on their skills and we are pleased to have such a wonderful volunteer coach, Mr. Ahmed Almughrabi from our community willing to take this on.

Huda Heroes – Gratitude

The month of April we were recognizing students who embody the Islamic virtue of Gratitude: Desire to express one's thanks or to be grateful.
