Gaining the Best of Canadian Culture While Preserving the Islamic Identity

May 4, 2018

Principal's Message

If you have not already done so, please get your registration forms and \$125 fee to the school. We are finalizing the list of students who will be joining us in September of 2017, and if your child's/children's registrations are not submitted, we will assume they are not attending in the fall. We have several families that are eager to get into the school, but students currently in the school are our first priority for placements.

Mrs. Nistor, Principal

Expansion Update (Cortoba Building)

The work on the building continues. We are anticipating the lower level to be complete prior to June 1st. It will be exciting to use the lower level of the building!

RHS Annual Fundraising Event

Our annual fundraising event will be held Saturday, May 5th. All parents, as well as people from our community are invited to participate in this event. You have already received an official invitation from the school.

Parents who are unable to attend are asked to fill in their donation forms and return them to the school. With construction of the new expansion (Cortoba building) continuing and needed renovations of the original building (Hikma building) it is critical that everyone donate to the best of their ability. Without the strong support of families who are part of our school, this major building project would not be possible. If you value Regina Huda School, please give generously!

Student Leadership Council

The month of April has been a lot of fun for the SLC, in the planning and execution of activities. Just after the break, the SLC planned an event to save the environment. Many classrooms participated and everyone appeared to enjoy their participation. The project involved the teachers keeping the lights off for long periods of time as well as other energy-saving practices!

The SLC also organized a school yard cleanup on Thursday, May 3rd. All students in the school participated. The class that collects the most garbage will have an ice cream party, courtesy of the SLC!

MYSLC has a snack sale planned for Friday, May 11th. Grade 5-7 students keep your eyes out for MYSLC applications for the 2018-2019 school year!

Speedstack Team 2018

This year's speedstacking team was once again very successful at the city championship tournament at Sheldon Williams Collegiate on Thursday, April 26th. The entire team practiced hard and were able to showcase their skills at both the head to head challenges and the individual tables. Several students placed in the top three in the head to head challenges. Congratulations to Fatima T. for her second place finish in the primary division, Shaheer H. for his third place finish in the junior division, Alaa I. for her third place finish in the intermediate division, and to Tina E., Abiha M., and Aamina T. for their third, second and first places finishes in the senior division.

Debate

We are excited that four of our grade 8 students are attending Debating Nationals in Calgary May 4th – 6th. We wish Huda A., Yusra N., Fatima A. and Abiha M. success at the Debating Nationals!

Readers of the Month

(April)

The following students are recognized for their reading efforts and the work they do to continue to be good readers!

Kindergarten

Zaid A.
Areeba H.
