

RHS Annual Fundraising Event

Our annual fundraising event will be held Saturday, May 4th, and all parents, as well as people from our community are invited to participate in this event. You have already received an official invitation from the school.

Parents who are unable to attend are asked to fill in their donation forms and return them to the school. With the purchase of additional land, completion of the landscaping and needed renovations of the original building (Hikma building) it is critical that everyone donate to the best of their ability. Without the strong support of families who are part of our school, this major building project would not be possible. If you value Regina Huda School, please give generously!
