

## Principal's Message

June 26, 2019

We officially will have completed our first full year in both the Hikma (original) and Cortoba (new) buildings! What a difference with having more space! We have loved having the two prayer spaces and the high school lunch room moving to the multi-purpose. Also the lunch program has been successful and the new kitchen is getting a lot of use! The extra space has made such a difference to our staff, students and community!

Beginning July, they will be completing some of the landscaping around the building. We are hoping to have new asphalt and basketball hoops directly behind the Cortoba building by the fall.

We will also be having a staggered recess next year (2019/2020). Preschool – Grade 5 will have their recess at 10:30 a.m. and 2:15 p.m. The Grades 6, 7, & 8 will continue to have recess at 10:15 a.m. and 2:30 p.m. This will allow for more space for students to play.

Students will receive their class information as well as the supply list for the fall in their report card. Please note that we do take considerable consideration of where students are placed and do not make changes to which class your child will be in next year.

It has truly been a wonderful school year! Your continued support of the teachers and school is appreciated. On behalf of the Board, teachers and staff, I want to wish you all the best this summer and enjoy your time with your children. I look forward to seeing the students back on Tuesday, September 3<sup>rd</sup>.

Mrs. Nistor, Principal
