

Regina Huda School Board Meeting Minutes

January 30, 2025

Members Present
Dr. Ayman Aboguddah
Ahmed Almughrabi
Bashar Rashid

Decision Item: The 2025-2026 registration letter and forms are approved.

Registration

Process

The school registration process will continue the same as last year:

Current students are guaranteed admission provided the student wants to attend and they adhere to the religious/philosophical expectations and financial arrangements are adhered to based on our educational philosophy.

School office staff collect registration forms for potential new students. In-school administration fills openings giving consideration to:

- a. Student's commitment to a faith-based education within the context of the educational philosophy of Regina Huda School
- b. Student's desire to attend Regina Huda School
- c. Student's potential to complement the class cohort
- d. Siblings' attendance at Regina Huda School
- e. Physical space available at the school

Discussion

Item: 2025-2026 School Calendar

School administration will work on the 2025-2026 calendar. The plan will be for students to have 6 days off of school for Eid al-Fitr and 3 days off of school for Eid al-Adha.

Discussion

Item: Cortoba Building Temperature Control

We have been struggling with temperature control in the Cortoba building.

The following measures will be investigated and / or implemented:

- a. Turn electric heaters off at the breaker when not needed.
- b. Phone technician who did the initial calibration to come in to do it again.
- c. Investigate the use of thermostat-controlled electric heaters so they do not run when not needed.

Closed

Discussion Item – Parent concern about registration procedures

Procedures were reviewed. The Board agreed to proceed with registration as outlined above.
