

# Staff Appreciation Week 2020

Hello Huda Families!

Thank you so much for your support of our Staff Appreciation Week! It has been an exciting week and the staff has had a really nice time.

We have almost **60 staff members** who we were able to show appreciation to all week. We put up some bulletin boards with some of the things the staff does that the students are thankful for. As well, the staff enjoyed small gifts such as a dry soup mix and sticky notes. They were able to enjoy a wide variety of snacks and treats all week long (Pretty sure we all put on a few pounds 😊).

The Huda Board generously sponsored a soup, buns and cheese lunch for staff on Tuesday and a Tim Horton's coffee for each staff member on Wednesday.

As always, it is lovely to receive kind messages, so if you haven't already done so, feel free to take time to send your student's teachers (remember they have more than one!) a little note of thanks. Those notes mean a lot to teachers and staff.

Thank you again for your support! We rely on your donations to be able to make this week really special for our teachers.

Sincerely,

The Staff Appreciation Week Committee – Mrs. Hall, Mrs. Littlemore, Hadiqa, Adan and Meerub.
